March for Life Washington, D.C.

Friday, January 18th

**The 46th Annual March for Life marks the infamous day that
the Supreme Court invalidated 50 state laws and made abortion legal and
available on demand throughout the US in the *Roe v Wade* and *Doe v Bolton*
decisions. This peaceful demonstration in Washington D.C. has grown to be
the largest pro-life event in the world. Visit marchforlife.org for more info.**
